See Notice at bottom
of page

- X does NOT contain
- ✓ DOES contain
- ! May Contain (potential for cross contamination from factory and/or ingredient supplier)

IMPORTANT NOTICE

Due to the re-location of the manufacturing site of some of our flake products, Oatflakes & Weetaflakes will be changing from NOT containing any nuts to a 'may contain' a nut warning that was not previously present due to potential cross contamination at the new site.

Production change should commence late March 2017 early April 2017 please check your pack during the change over period.

See below new Allergen status:
